Senior Conservator-Restorer

Reports to: Tata Trusts Programme Officer and MAP Head of Collections

Role type: Full-time

Location: Bangalore

Contract: Permanent

Salary: Competitive, dependent on experience

Application deadline: 11th February 2019

About MAP

The Museum of Art & Photography (MAP) is a new and innovative arts organisation opening in Bangalore in 2020. MAP's mission is to exhibit, interpret and preserve a growing collection of art and cultural artifacts, motivated by a belief that museums can play a positive role in society. MAP is custodian to a growing collection of over 15,000 art works, predominantly from the Indian subcontinent and dating from the 12th century to the present. Its 43,000 sq. ft. flagship site will include five galleries, an auditorium, an art and research library, education center, a multimedia center and a specialised research and conservation facility.

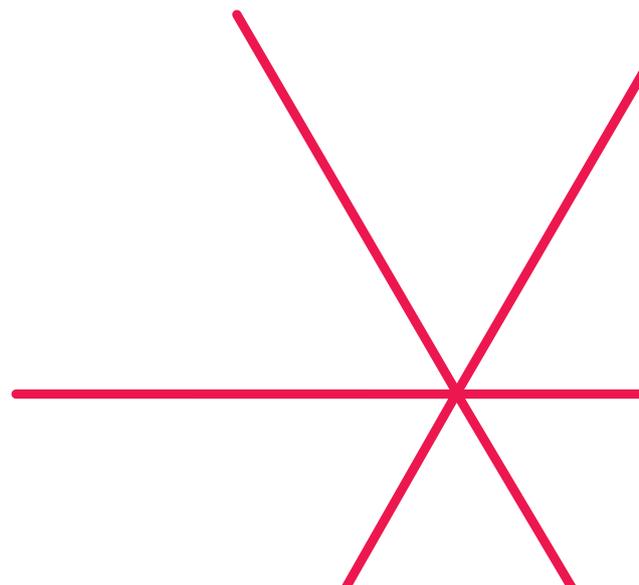

About Tata Trusts' Art Conservation Initiative

As one of India's largest philanthropic organisations, the Tata Trusts have actively engaged in conserving India's rich heritage through supporting conservation of built heritage, art and film preservation. Under its Art Conservation Initiative, the Tata Trusts propose to establish, develop and strengthen art conservation centres across India, and to create a cohort of trained art conservators. As part of this initiative, the Trusts have partnered with MAP as one of the key zonal institutes, with its outreach extending to the southern states of India.

Role overview

The Museum of Art and Photography, (MAP) invites applicants for the post of Senior Conservator-Restorer for engagement for a period of up to five years. The position is a available under the Tata Trusts Art Conservation Initiative at MAP in Bangalore. Persons with skills related to crafts, problem solving, and an interest both in the arts and the sciences, art conservators-restorers, preventive conservators, and persons well versed with historic photographic techniques are encouraged to apply.

TATA TRUSTS
