About the Museum of Art & Photography

The Museum of Art & Photography (MAP) is a bold, dynamic and ambitious project committed to building and sustaining a new museum of international standards in South India. Its mission is to exhibit, interpret and preserve a growing collection of art and cultural artifacts, motivated by a belief that museums can play a positive role in society.

MAP is the custodian to a growing collection of over 18,000 art works, predominantly from the Indian subcontinent and dating from the 12th century to the present. Its 43,000 sq. ft. flagship site will include five galleries, an auditorium, an art and research library, education center, a multimedia center and a specialised research and conservation facility. From this center, MAP will produce exhibitions, encourage and foster new academic research and improve access and understanding for the visual arts in India, with a key focus on inclusively building new audiences.

Role Overview

The MAP photographer will be responsible for photographing the collection, MAP events and exhibitions and ensuring a quick turn-around time on the images.

Required competencies

Candidates should:

- Have an excellent technical knowledge of professional photography
- Be proficient in Adobe Photoshop, Premiere and Lightroom
- Understand the nuances of composition and lighting
- Be proactive, driven and mindful of deadlines.
- Understand the vision and mission of MAP and be able to translate that into images that reflect the brand.

Equality & Diversity

MAP is an equal opportunities employer. It opposes all forms of discrimination and believes that all people, regardless of their identity or membership of any group deserve to be treated equally, consistently and fairly. MAP welcomes creativity, excellence and different perspectives that individuals of all backgrounds and abilities bring to our work.

Application and nomination process

To apply please fill in the online application form [here](#) and submit a relevant portfolio of your existing work. Shortlisted candidates may be required to come in for a mock shoot to test capabilities.
