Young
Patrons

Welcome to the **Museum of Art & Photography (MAP)**

It is my great pleasure to invite you to become a Young Patron of MAP. While becoming a philanthropist in the cultural sector, you will enjoy a year-long programme of in-conversation opportunities with artists, gallerists, collectors, you will be networking with like-minded people as well as participating in curated tours of art fairs and exhibitions.

By joining this pioneering museum you will play a key role in offering the city of Bangalore a truly accessible and inclusive museum, for everyone to enjoy. Its new, state-of-the-art home, a stone's throw away from Cubbon Park, will comprise galleries, an auditorium, a research library, classrooms, a conservation and restoration facility, a rooftop lounge, a cafe and a museum store.

MAP is actively reaching out to the community through a variety of educational programmes, with a special focus on collaborations with schools and people with disabilities. MAP utilises technology to create an immersive and interactive visitors' experience to appeal to people of all ages and all walks of life. Through its partnerships with art organisations across the globe, MAP will display its collections internationally and offer audiences in Bangalore some of the best art from around the world.

We need your help in realising MAP's vision for a truly inclusive new museum in Bangalore. Please join us and be a part of the art revolution!

Director

MAP's Young Patrons are a group of philanthropists, from the age of 21 up to 40, who enjoy access to a variety of specially curated events, private viewings, talks and private tours to art fairs. The Young Patrons scheme starts with an annual contribution of INR 1 Lakh per person and INR 1.5 lakhs for two.

Young Patrons will receive invitations to 6 events a year and these may include:

- In-Conversations evenings with:
 - Artists
 - Collectors
 - Gallerists
 - Curators
- Networking with likeminded people, in art related venues
- Curator-led tours of exhibitions in the city
- Tour of the art collection at the MAP office
- Guided tour of the highlights of India Art Fair in Delhi, and Serendipity Arts Festival in Goa, yearly
- Guided tour of the highlights of the Kochi-Muziris Biennale, every other year
