- Must impart preventive care training to the staff for handling and caring of the collection
- Oversee the smooth functioning of the lab and must attend to any other tasks assigned
- Any other work suggested by the Line Manager

Person Specification

The successful candidate will possess the following traits and skills:

- Must have experience of working across a range of artworks, preferably with paper and photographs
- Ability to work independently or as a team, making decisions based on current conservation practices
- Ability to monitor and report storage and display conditions to keep the objects stable
- Writing Condition reports of objects and maintain conservation records
- Excellent written and verbal communication skills
- Attention to detail
- Ability to work in a fast-paced environment, managing multiple priorities under pressure and delivering to tight deadlines
- Highly organised, professional, self-motivated with excellent communication and interpersonal skills
- Ability to maintain confidentiality and a professional attitude at all times
- IT literate with experience of using Excel and databases

Equality & Diversity

MAP is an equal opportunities employer. We oppose all forms of discrimination and believe that all people, regardless of their identity or membership of any group deserve to be treated equally, consistently and fairly.

We welcome creativity, excellence and different perspectives that individuals of all backgrounds and abilities bring to our work.
